

## **Melissa AB Graetz, Secretary 2023**

As the Director of Content & Operations for MSM Global Consulting, Melissa specializes in Instructional Design, Intercultural Communications, Adult Education and Curriculum Development, Capacity Building, and Business Operation Strategies.

Melissa is a self-described “diversely educated, fiercely passionate and creative problem solver dedicated to building bridges, fighting adversity and championing humans through community engagement, cross cultural education and thoughtful changemaking.”

She is dedicated to diversity, inclusion, equity and expansion and believes that we must work every day to find avenues of growth and development of our self, and our community. As a new member to the SIETAR USA Board in the role of Secretary, she is committed to the challenge of providing support and development within the SIETAR USA organization to facilitate innovative procedural changes.
