

Berlitz is seeking contract consultants who are regional experts for 3 or 5-day programs in 2019 for the following regions:

Korean Peninsula
Asia Pacific
Eurasia (mostly Russia)
Turkey
Middle East
Latin/South America/Mexico
Northern Africa
Horn of Africa
Southern Africa
Western Africa

The programs will take place on consecutive days in either Springfield, VA and St. Louis, MI beginning in January.

All consultants shall meet the following criteria:

Background:

- Must be a US Citizen and be able to speak English clearly
- A minimum of a master's degree plus 30 semester hours (45 quarter hours) in a relevant field of study from an accredited (i.e., regional, national or institutional) academic institution
- A minimum of 3 years of experience instructing adult learners to include academic settings as well as professional settings such as government agencies or offices
- A minimum of 2 years of experience in the field for which they are delivering instruction
- Experience can be associated with teaching in academia, living or working within the region; serving as an analytic subject matter expert for the region, etc.

Knowledge:

- Must be a subject expert in the specific region and be able to deliver a professional and interactive program.
- Must be well versed on the country or region and provide current content.
- Must have experience designing a 3-5-day program on the region of expertise.
- Must have exceptional stand-up presentation and facilitation skills.

Design:

- Need to follow a syllabus and design the curriculum.
- The program needs to be interactive and include videos, case studies, activities analyzing different types of maps of countries and region.
- The curriculum must include the following information:
 - Current events and trends that effect the country/region
 - Geography – important information connected to creating maps and collecting and analyzing geographical data, such as population density, demographic characteristics, and annual precipitation patterns
 - History and culture
 - Government model and processes
 - Indigenous, ethnic, and religious groups
 - Urban and rural geography
 - Transportation and infrastructure
 - Economy
 - Natural resources
 - Other topics as applicable: Immigration and migration; civil war and regional/international conflict; nuclear proliferation; labor relations

Program development fees, training program fees and travel expenses will be paid per engagement.
